

50-State and National, Comprehensive, Unified Election Reform

TakeBackElections.org

Citizens working for fair, transparent, secure, verifiable voting and elections

Take Back Elections is a citizen-led group working on comprehensive voting and election process reform, through ballot initiatives and legislation via state and federal constitutions.

Join our activists and experts in rewriting the following:

- Voter issues and reforms
- Media in elections
- Financing elections – candidates and ballot initiatives
- Casting and counting our votes on election day
- Redistricting (Gerrymandering)
- Electoral College
